Happy new year to all URYC members. I seem to be taking over at a strange time as of course there is not much happening at the club but the committees continue to meet all be it on Skype. I would like to welcome Rob Bodman as rear commodore sailing and Derek Underwood as rear commodore house. It is our intention to issue a monthly Flotsam news sheet as an attachment to all members who have email, if you have trouble opening it it will be available on the club website and possibly the WhatsApp. We will be asking for any news or interesting stories members have so please send it to Marcus (marcus_ingram@hotmail.co.uk). I will also be asking the sub committees to keep you up to date with any events planned when we get back to normal.

In the meantime stay safe.

Gerry Ledger.

Q. What do you call a sail with only two corners?

A. Haven't got a Clew!

Please ask if you want adding to the club WhatsApp groups.
