

URYC What's on in March 2025

March 2025 – Its work party month!

Saturday 1st Launch & Recovery Members Work Party 1 from 09:00

In addition to servicing the L&R equipment, electric winch etc there are several additional jobs that members could tackle. These include clearing the main gate drain and removing the Commodores Lawn chain link fence. Please ensure you have tough gloves and working boots to wear on the day. Also heavy duty wire cutters might prove very useful.
