Social

Firework and Eat-in night on Saturday 2nd November, it's a great informal evening. Keep an eye on the Club WhatsApp Social Group for times. The club will open early as the event is linked to the start time of the Fireworks at Woodham. Always a good event – though wrap up as we usually stand on the Club Deck to watch the display. Full details to follow. Keep an eye on the WhatsApp Social group for confirmation of the club opening times etc.

There is a **Quiz Night** raising money for the RNLI on Saturday 15 November, our quiz masters are Helen and Neal once more. A very popular event, you'll be invited to email Helen when the official notice is posted on the Club WhatsApp Social Group and on the noticeboard in the club foyer.

This is advanced notice of a **Casino Night in December**. A new event for the club. Please keep an eye on the club WhatsApp Social Group for details.

Fair winds
